Editorial Index — 1990

The following index is a guide to articles that appeared in Vol. 33, Nos. 1 through 12 of *World Wastes,* (January through December 1990 issues).

This index is a comprehensive reference to all 1990 editorial material, containing cross-referenced alphabetical listings of articles by subject, title and authors' name, followed by the publication month and page number (e.g. "Nov 35" is the November issue, page 35).

Index subheads include: Associations, Collections, Computerization, Conventions, Education, Environmental Protection Agency, GRCDA Commentary, Hazardous Wastes, International, Landfills, Legislation, Maintenance, Management, Privatization, Recycling, Resource Recovery, Sludge and Tranferring Wastes.

The index also lists *World Wastes'* columns and departments. These can be found under: Bottom Line, Editorials, Equipment, Legal and Trends.

Back issues of *World Wastes* and article reprints are available from the publisher, Communication Channels Inc., 6255 Barfield Road, Atlanta, Ga. 30328. □
